The Program

“Mountain Mites” is a club designed especially for children ages 6 to 14. Children must be at least 8 years old to participate in snowboarding. Using a specialized teaching system, Mountain Mites will learn under the supervision of professionally trained instructors. Mountain Mites is formulated for fun.

There are four, three week sessions to choose from to fit everyone’s busy schedule. Classes begin promptly at 11:00 am and conclude at 2:30 pm. Mountain Mites will learn while spending lots of time on the snow and having a great time doing it. Helmet use is required for all participants.
