

ATV & Motor Vehicle Usage

To ensure the safety of our guests and to avoid property damage, Grand Geneva, in conjunction with the ISOC, is banning the use of ATV vehicles and mini-bikes on property during the snocross event. The only approved use for an ATV is the hauling of snowmobiles and other equipment to/from trailers in the pit area and race areas.

Any other use of these vehicles will result in the impounding of the vehicle and a \$500.00 fine (plus any additional monetary compensation for property damage). All impounded vehicles will be released to their owners on Sunday, March 22, 2009 at 5:00pm.

Thank you for your cooperation.

Trolley service to the Chalet starts at 6:30 am on Friday, Saturday and Sunday
