

# INTRODUCING KIDS ARE GRAND JUNIOR PASSPORTS

Your young one will receive his/her very own passport to explore the many activities offered through the Junior Passport program at WELL Spa + Salon + Fitness Center. They'll stay busy with our various activities designed to inspire creativity and innovation. You can be at ease and enjoy your own private time or join them for an activity or two!

For each escapade in which parents join their children in participating, their son/daughter will receive double stamps. GRAND prizes will be awarded based on stamps!\* A 24-hour advanced reservation is preferred. However, you may call and inquire about same-day availability.
