

Welcome to Grand Geneva Resort. If you have an interest in skiing or snowboarding we invite you to visit The Mountain Top. Here are a few helpful hints to make your visit to The Mountain Top more enjoyable.

1. Come early – the ski and snowboard area opens at 9 a.m. for our hotel guests on Saturday and Sunday.
2. We recommend you pre-purchase your rentals and tickets at the Ski Chalet the night before you ski or snowboard to avoid “wait time” for tickets and rentals. If you choose to do this, you must put your snowboard, skis and poles into an overnight locker and it will be ready for you the following day.
3. Purchase a multiday ticket and rental. We offer locker rentals if you are skiing more than one day.
4. Private and semi private lessons are available to skiers of all abilities – arrangements can be made at the Chalet.
5. For your safety, helmet rentals are available.

Call extension 3611 for more information
about the ski and snowboard area.
